

MEMBERSHIP APPLICATION NOTES

A COMPLETED APPLICATION FORM MUST BE ACCOMPANIED BY A COVERING LETTER ON COMPANY LETTERHEAD.

1 Membership

Completion of the application form does not entitle a company or other business to become a Member of ESA until written consent of the Board of Directors has been obtained, subscription dues are paid, the Code of Conduct signed (as appropriate) and details of the company have been entered into the membership register of ESA.

2 Categories of Membership

Categories of membership are determined by the Board of Directors and can be altered from time to time. Any uncertainty over membership category should be clarified with ESA before submitting this form.

Full membership is for environmental services companies managing waste and secondary resources and subscriptions are based on turnover. Associate membership is open to companies which are not themselves environmental services companies but whose products/services are associated with the environmental services industry.

Information given in this application form will be used to assess the applicant's suitability for membership. Details given will be collated into ESA's database if the application is successful. No information will be revealed to any external body in an identifiable or attributable manner.

ESA is registered under the Data Protection Act 1998.

4 Refusal

The Board of Directors has the right to refuse admission to membership, but an applicant will be notified of the reason(s). A reapplication for membership may be made after the expiry of six months from the date of refusal. The Board of Directors may call for further information from an applicant before making its decision.
